Well, I've got a brand new lover  
I love her, yes I do  
She's my one and only  
And her name is Baby Blue  
Well now, baby, baby, baby  
Baby, Baby Blue, Yeah  
Baby, baby, baby  
Baby, baby, Baby Blue-oooh  
Well now, when I met my baby  
I say, How to do you do  
She looked into my eyes and say  
My name is Baby Blue.  
Well now, baby, baby, baby  
Baby, baby, Baby Blue O-Ohhh  
Baby, baby, baby  
Baby, baby, Baby Blue  
(Now, now, now, now)  
(Solo, background repeats baby, baby... ahhs)  
Well, I know my baby loves me  
I know that she'll be true  
I'm sure of this each time I look  
Into her eyes of blue  
Well now, baby, baby, baby  
Baby, baby, Baby Blue Yeah  
Baby, baby, baby  
Baby, baby, Baby Blue
