Well, I'm freed of doubt, I feel so good,  
I can do anything, you know I could.  
I can do anything, you know I can,  
Touch me baby, I'm a brand new man.

Yeah, yeah, I'm a brand new man,  
Doing anything like a new man can.  
Rock like a seer sucker, roll like a stone.  
I sing hell pretty, like it's never been known.

Oh, I've seen the worst, I've seen the best,  
I've seen love, I've seen the test.  
And in between I don't stand.  
I'm just a fool in another man's land.

Yeah, yeah, I'm a brand new man,  
Doing anything like a new man can.  
Rock like a seer sucker, roll like a stone.  
I sing hell pretty, like it's never been known.

Yeah, some people think life's real hard,  
But it only fails if you're good or bad.  
You take what comes, you leave what goes,  
When ever you're hot, yeah, your face will show.

Yeah, yeah, I'm a brand new man,  
Doing anything like a new man can.  
Rock like a seer sucker, roll like a stone.  
I sing hell pretty, like it's never been known.

Well, I'm freed of doubt, I feel so good,  
I can do anything, you know I could.  
I can do anything, you know I can,  
Touch me baby, I'm a brand new man.

Yeah, yeah, I'm a brand new man,  
Doing anything like a new man can.  
Rock like a seer sucker, roll like a stone.  
I sing hell pretty, like it's never been known.

Rock like a seer suckers roll like a stone.  
I sing hell pretty like it's never been known.
