I know she looks good when her hips start to shake
You know you're alright babe there ain't no mistake
Don't she look fine when she gives you the sign
For you to come on over and have yourself a good
time.

Well she knows what's on your mind
There ain't no use in lyin'
What you want is natural love,
I can't blame you for tryin'.

Well you know you can't dance when it gets close to
three
Bet you wanna take her home, have yourself a party
Well she can tempt you with a smile that'll drive you
wild
You know she's all grown up, this ain't no young child.

Well she knows what's on your mind
There ain't no use in lyin'
What you want is natural love,
I can't blame you for tryin'.

Well she knows what's on your mind
There ain't no use in lyin'
What you want is natural love,
I can't blame you for tryin'.

When she's standing in line you can spot her
everytime, that's for sure
And ain't it mighty fine when she says she's all mine,
not yours.
