See how I'm walking  
See how I'm talking  
Notice everything in me  
Feel the need  
(Oh, Feel it)  
Feel the need in me  
Woah Woah Yeah

I need you by my side  
To be my guide  
Can't you see my arms are open wide  
Feel the need  
(Oh, Feel it)  
Feel the need in me

I need your love  
Everyday I need  
(Love)  
Everywhere I need  
(Love)  
With out your sweet, sweet love I'd rather die  
(I need your love)  
I need you constantly  
(Love)  
Your love is good to me  
(Love)  
Your love is sweeter to me than apple pie

Just put your hand in mine  
Love me all the time  
The truth you will plainly see  
Feel the need  
(Oh, Feel it)  
Feel the need in me

Your love is tough now  
Can't get enough  
'Cause your love's so important to me  
Mmm Feel it  
(Oh, feel it)  
Feel the need in me

I need you by my side  
To be my guide  
Can't you see my arms are open wide  
Feel the need  
(Oh, Feel it)  
Feel the need in me

I need your love  
Everyday I need  
(Love)  
Everywhere I need  
(Love)  
With out your sweet, sweet love I'd rather die  
(I need your love)  
I need you constantly  
(Love)  
Your love is good to me  
(Love)  
Your love is sweeter to me than apple pie

Just put your hand in mine  
Love me all the time  
The truth you will plainly see  
Feel the need  
(Oh, Feel it)  
Feel the need in me

Come on and feel it  
(Feel it - Feel it)  
Come on baby, feel it  
(Feel it - Feel it)  
Come on and feel it  
(Feel it - Feel it)  
Ahh that's nice  
(Feel it - Feel it)  
Ooww  
Ah, that's good  
Ah. you're doing well  
Ah, that's nice
