I believe what you say when you say you don't kiss  
nobody else but me  
I believe (I believe), do believe (do believe), I believe (I  
believe)  
Yeah, I believe, pretty baby, believe you're goin' steady  
with nobody else but me

Well, there's-a one thing, baby, that I wantcha to know  
When you're rockin' with me don't rock too slow  
A-Move on in, get toe-to-toe  
We're gonna rock till we can't rock no more

I believe (I believe), do believe (do believe), I believe (I  
believe)  
Yeah, I believe, pretty baby, believe you're goin' steady  
with nobody else but me

SPOKEN: Well, let's dig it now.

Well, I believe what you say when you say you don't  
miss nobody else but me  
I believe what you say when you say you don't kiss  
nobody else but me  
I believe (I believe), do believe (do believe), I believe (I  
believe)  
Yeah, I believe, pretty baby, believe you're goin' steady  
with nobody else but me

Well, when you kiss me, baby, then you roll your eyes  
I get a funny feelin' that I'm hypnotized  
Chills run all up and down my spine  
I'm tellin' everybody that you're mine, all mine

I believe (I believe), do believe (do believe), yeah  
believe (yeah believe)  
Oh, believe, pretty baby, believe you're goin' steady  
with nobody else but me

SPOKEN: Oh, yeah!

Well, I believe, do believe, yeah believe  
Well, believe, pretty baby, believe you're goin' steady

with nobody else but me
