Everytime you have to whisper good-bye

Well

I cry just a little bit

Cry just a little bit.

I know it's crazy and I don't know why

But I die just a little bit

Die just a little bit.

I need to be the one that's by your side

You are the beat in my heart.

My love for you is something I can't hide

And I cry just a little bit

Cry just a little bit

Cry just a little bit

Cry just a little bit.

Every night before I'm fallin' asleep

Well

I pray just a little bit

Pray just a little bit.

I pray nobody wants your loving to keep

And you stray just a little bit

Stray just a little bit.

Don't let temptation fill your heart with dreams

Don't let your mind run away.

Forbidden love is never what it seems

And you cry just a little bit

Cry just a little bit

Cry just a little bit.

You're the light that brightens all of my days

Yes

The sun shines above you and I would die

If someone took you away

'Cause I love you

Love you.

Cry just a little bit

Cry just a little bit.

I want forever to be you and I

That's's the way it should be.

I live for you and

Baby

That is why I cry just a little bit

Cry just a little bit

Cry just a little bit.

Every night we have to whisper good-bye

I cry just a little bit

Cry just a little bit.

I know it's crazy and I don't know why

But I die just a little bit

Die just a little bit.

Cry

Cry

Cry

Cry just a little bit

Cry just a little bit

Cry

Cry

Cry

Cry just a little bit

Cry just a little bit
