I thought that I could forget,  
And try to tell myself we never met.  
Though you try, you can't deny,  
The feeling of your heart,  
Though you try, you can't deny  
A true love when it starts.  
I guess that I was just a fool.  
I guess I'll go on loving you,  
Even though I know our love will never do.  
Though you try, you can't deny  
The feeling of your heart.  
Though you try, you can't deny  
A true love when it starts.  
I guess that I was just a fool.
