Just a kiss  
just a smile  
Hold my hand for just once in a while.  
That's all I need  
all I need and I'll be satisfied.  
Think of me  
when you're away

Call me  
darling  
just once a day.  
That's all I need  
that's all I need and I'll be satisfied.

True love came to me  
when I met you

True love makes me know I won't forget you.  
When you're around me it makes me feel  
Life is worth living  
baby  
love is so forgiving.  
Just a kiss  
just a smile . . .  
True love came to me  
when I met you

. . .  
Just a kiss  
just a smile . . .  
Think of me  
when you're away . . .  
That's all I need  
all I need

I'll be  
baby  
listen to me

That's all I need  
all I need and I'll be . . .  
That's all I need  
all I need and I'll be satisfied.

That's all I need  
that's all I need
