I know you want me baby  
When I knock upon your door  
Come on over pretty baby  
I'm not saying this for sure.  
I know you love me baby  
When I knock upon your door.

I'm knockin' once  
I'm knockin' twice.  
I'm knock three times, baby oh that's nice.  
How do you feel baby now I've come close your door.  
Well, you look plum tuckered  
But, baby there's more for sure, for sure

I know you want me baby  
When I knock upon your door  
Come on over pretty baby  
I'm not saying this for sure.  
I know you love me baby  
When I knock upon your door.

I'm knockin' once  
I'm knockin' twice.  
I'm knock three times, baby oh that's nice.  
How do you feel baby now I've come close your door.  
Well, you look plum tuckered  
But, baby there's more for sure, for sure

I'm knockin'  
I'm knockin'  
I'm rockin'  
I'm knockin'
