I said a shake baby shake baby shake
Till the meat rolls off your bones
Shake baby shake baby shake
Till your mama and your daddy come home
Shake baby shake I just love your sexy ways

Wiggle, Wiggle, Wiggle, Wiggle, Wiggle
Till your hips get tired and weak.
Wiggle, baby, Wiggle, Wiggle, Wiggle
Till you fall out on your feet.
Wiggle, baby, Wiggle, Wiggle, Wiggle:
I just love your sexy ways.

Upside down,
All around.
Any old way,
Just clown, clown, clown

Oh! baby, Oh! Baby,
Oh! baby, Oh! Baby,
Oh! baby, Oh! Baby:
I just love your sexy ways.

On the wall,
In the hall,
Dance, baby, dance,
Now, crawl, crawl, crawl.

Oh! baby,
Do it, baby,
Oh, baby,
Do it, baby,
Do it, baby,
Do it, baby:

I just love your sexy ways.
Move, baby
Move move, move,
I just love this carrying on,
Move, baby,
Move, move, move

'Cause your mama and daddy are gone:
Move, move, move.

I just love your sexy ways!
Wiggle, Wiggle, Wiggle,
Till your hips get tired and weak.
Wiggle, baby, Wiggle, Wiggle, Wiggle
Till you fall out on your feet.
Wiggle, Wiggle, Wiggle, Wiggle:
I just love your sexy ways.

Upside down,
All around.
Any old way,
Just clown, clown, clown

Oh! baby, Oh! Baby,
Oh! baby, Oh! Baby,
Oh! baby, Oh! Baby:
I just love your sexy ways.

On the wall,
In the hall,
Dance, baby, dance,
Now, crawl, crawl, crawl.

Oh! baby,
Do it, baby,
Oh, baby,
Do it, baby,
Do it, baby,
Do it, baby:
I just love your sexy ways.

Move, baby,
Move, move, move,
I just love this carrying on,

Move, baby,
Move, move, move,
'Cause your mama and daddy are gone:
Move, move, move.
I just love your sexy ways!
