Well, she comes from Tallahassee
Whoa, she's got a hi-fi chassis, whoa
Maybe looks a little sassy
Whoa, but to me she's real classy, whoa
Yeah, my Tallahassee Lassie, down in F.L.A.

Well, she's romping to the drag
The cha-cha rag-a-mop
Stomping to the shag, whoo
Rocks the bunny-hop, ooh, ooh, ooh, ooh

Well, she dances to the bop, she dances to the stroll
She dances to the walk, whoo, she can rock and roll
She's my Tallahassee Lassie
Whoa, yeah, my Tallahassee Lassie, whoa
She's my Tallahassee Lassie, down in F.L.A.

Come on, baby! Come on, honey!
Yeah, come on, sugar! Come on, baby!
