One hearts not luck baby,
Two hearts make you feel crazy.
One kiss make you feel so nice,
Two kisses put you in paradise.
Two hearts, two kisses makes one love,

Two hearts beat as one deep,
Two arms baby know that you care.
Thave played it all, loving,
Your kiss is hotter than an oven.
Two hearts, two kisses makes one love,

Loving you baby in my desire.
I know that you can set this whole world on fire.
A little spark will burn in deep inside.
Love should be making by two.
