What do you want to make those eyes at me for
When they don't mean what they say
They make me glad they make me sad
They make me want to lie, to think that I never had

You're fooling around with me now
And you leave me always went away
Well that's alright I can do it home tonight
And baby don't fight we're messing with dynamite

So what do you want to make those eyes at me for
When they don't mean what they say

What do you want to make those eyes at me for
When they don't mean what they say
They make me glad they make me sad
They make me want to lie, to think that I never had

You're fooling around with me now
And you leave me always went away
Well that's alright I can do it home tonight
And baby don't fight we're messing with dynamite

So what do you want to make those eyes at me for
If they don't mean what they say
If they don't mean what they say
