Judo Judy gotta go cause
She never wasn't old to realize...
Small tiny petty little oxfly could
Upset the rain I woke up again!...

c/o
As I am the smile on my face
The feeling is great and
I would do anything but just...
Don't sit under the apple tree
I can't do anything for free
All I want just you and me
So don't sit under the apple tree

Jiggle wriggle joggle
Jolt everybody not at fault a-lamort
Till you dot black wood ebony catapult
What you got up you sleeve
Belongs all to me!...

Ding-dong hammer on new
Sing-a-long lingo
'Bout the meter half of one
Hush hush better sweet aligning
Trying to get used I filled up my skin
