I'm a loser and a screw up  
Don't insult me you're no better  
Lay back on it culture panic  
Got a freckle on my vomit

I will never lie.. [3x]

Monday Tuesday Wednesday  
Thursday Friday Saturday  
Sunday Monday Tuesday  
Wednesday Thursday Friday.

It don't matter  
I am boredly  
I will never lie.. [3x]

I'm a loser and a screw up  
First you kiss me then you leave me  
Got a flimsy sonar rattle  
It's so easy to be silly

I will never lie.. [4x]
