Thinking what is true
Straightened all this while
Feeling adhesive divide
Flame from blame leave it on the
Table solidarity-he darling don't you
Dare me life is so expensive

Oh glow into my life I'm half divine
Oh enter you will see how I can survive
Oh listen to my heart I have a sound
I'm looking through a new supernatural

Eye I'm not narrow minded
Dirty refugee-he need a reciprocal every inch is easy
I don't seek perfection cemetery-free-me
My life's complicated feeling sophisticated
