Feeling uneasy definitely ugly
And it makes me feel guilty
Don't you feel sorry In between polarity
My arms believe me courteous completely
Isn't it lovely(heavenly speaking)
Show off your temper Blame it onto somebody

You make me laugh making lots of money [3x]
You make me laugh

Won't you ever... realize

Desire to be clean pretty-pretty lonely
heavenly speaking
Lots of companions leading me to misery
Fell on attention stirred by emotions
Act like you miss me
Show off your temper
Blame it onto somebody
