Save, your, breath,  
I'm not listening.  
Frail, like, wretch,  
Soft and sinking.  
If you could save yourself,  
Then what would you find?  
Crave, the, truth,  
Like I'm craving mine

Compensate, again,  
Black Lung is bleeding for you now...

Shut, your, mouth,  
It's filling with dust.  
Tight, like, air,  
Corroding your trust.  
If you could save me now,  
My actions the same.  
Line, stop, dead,  
No air in this frame.

Compensate again,  
Black Lung is bleeding for you now  
Compensate again,  
Black Lung is breathing for you now...

CLEAR!!!

Compensate again,  
Black Lung is bleeding for you now  
Compensate again,  
Black Lung is breathing for you now...

It's my turn to breathe,  
Breathe,  
Breathe,  
It's my turn to breathe.

It's my turn to breathe,  
Breathe,  
Breathe,

It's my turn to breathe.
