Verse 1:

It's that special time of the year  
And all that matters is you're here,  
Gimme gimme gimme gimme all yo love  
Matterfact let's fall in love all over again  
Cuz I love the feeling, this the season yeah  
Gimme gimme gimme gimme all yo love  
Matterfact let's fall in love all over again  
But what I'm really saying is,

Chorus:

It could be christmas, a new year  
Long as you're here  
I know Santa Claus is coming but all I need girl is your  
loving  
Don't have no fear, kiss my lips and it will dissappear  
I know Santa Claus is coming but without you this time  
means nothing

You and me gone fall in love (Under the pepperlight  
girl)  
We gone kiss and fall in love (under the pepperlight  
girl)  
So hang all the mistletoe's just wanna have u close  
This christmas, this christmas

Verse 2:

Baby you're the one, yeah I know it's true  
This time I mean it that I wanna stay with u  
U make me happy, u make me go crazy  
I'm yo man girl u my baby  
Lets go, lets go out  
Lets go have some fun, lets go loud  
Baby u the girl of my dreams  
You're my queen and I'm yo king  
We're like a love story, that's right  
I'm your prince on the white horse, for u I fight  
I give u diamonds and pearls because u are my world  
You are everything I need cuz you are my girl  
Your smile so pretty, girl u perfect  
You're like an angel from the sky

Baby, I never gonna hurt ya  
I want u to be my wife

Chorus:

It could be christmas, a new year  
Long as you're here  
I know Santa Claus is coming but all I need girl is your  
loving  
Don't have no fear, kiss my lips and it will dissappear  
I know Santa Claus is coming but without you this time  
means nothing

You and me gone fall in love (Under the pepperlight  
girl)  
We gone kiss and fall in love (under the pepperlight  
girl)  
You and me gone fall in love (Under the pepperlight  
girl)  
We gone kiss and fall in love, this christmas, oooh
