Isn't this great?
Built it all up to watch everything wash away
Well I wanna be one in your world
How the **** do I rate?
Oh now it's funny how you think it's okay to ???
Isn't this great?
Oh, this is my fate

Yet you hold my highest honor
(Isn't this great?)
To a place no one can touch
(Isn't this great?)
Oh, then it all goes down so arrogant-like

It's too much, so what if I sleep?
When I wake up, if I do, I get back on my feet
Oh, now I wanna be one in your world
I don't wanna compete
When you started all strong and you end this so terribly
weak
Yeah, isn't this great?
Oh, this is my fate

Yet you hold my highest honor
(Isn't this great?)
To a place no one can touch
(Isn't this great?)
Oh, then it all goes down so arrogant-like

It's too much, so answer me this
Oh, where do you go
Oh, what if I follow
What if I don't
Oh, isn't this great?

Ask yourself, so what if I sleep?
Oh, and when I wake up, if I do, I get back on my feet
Oh, I wanna be one in your world
I don't wanna compete
I don't wanna compete

Oh, yet you hold my highest honor
(Isn't this great?)
To a place no one can touch
(Isn't this great?)
Oh, then it all, it goes down, oh so arrogant-like
It's too much
Oh, it's too much
Yeah, but so what?
Now isn't this great?
