Chale aaj tum jahaan se, hui zindagi paraayi  
Tumhein mil gaya thikaanaa, hamein maut bhi na aayi

O duur ke musaafir ham ko bhi saath le le re  
Ham ko bhi saath le le  
Ham rah gaye akele

Tuune vo de diya gam, bemaut mar gaye ham  
Dil uth gaya jahaan se, le chal hamein yahaan se  
Le chal hamein yahaan se  
Kis kaam ki ye duniya jo zindagi se khele re  
Ham ko bhi saath le le, ham rah gaye akele

Suuni hain dil ki raahen, khaamosh hain nigaahen  
Naakaam hasaraton ka uthane ko hai janaaza  
Uthane ko hai janaaza  
Chaaron taraf lage hain barabaadiyon ke mele re  
Ham ko bhi saath le le, ham rah gaye akele

O duur ke musaafir ham ko bhi saath le le re  
Ham ko bhi saath le le  
Ham rah gaye akele
