Nafarat ki laathi todo, laalach ka khanjar phenko  
Zidd ke peechhe mat daudo, tum prem ke panchhi ho  
Desh premiyon, aapas mein prem karo desh  
premiyon...

Dekho, ye dharati, ham sab ki maata hai  
Socho, aapas mein, kya apana naata hai  
Ham aapas mein lad baithe,  
Ham aapas mein lad baithe to desh ko kaun  
sambhaalega  
Koi baahar wala apne ghar se hamein nikaalega  
Deewanon hosh karo, mere desh premiyon...

Meethe, paani mein, ye zehar na tum ghola  
Jab bhi, kuch bolo, ye soch ke tum bolo  
Bhar jaata hai gahara ghaav jo banata hai goli se  
Par vo ghaav nahi bharata jo bana ho kadavi boli se  
To meethe bol kaho, mere desh premiyon...

Todo, deewaaren, ye chaar dishaaon ki  
Roko, mat raahen in, mast havaaon ki  
Poorab pashchim uttar dakkshin vaalon mera matalab  
hai  
Is maati se poochho kya bhaashha kya isaka mazahab  
hai  
Phir mujhase baat karo, mere desh premiyon...
