duniya ek kahaani re bhaiya, duniya ek kahaani (2)
tu ne kahe di, mein ne kahe di, duniya ek kahaani
is duniya ke mele mein , koi raaja koi raani
duniya ek kahaani re bhaiya, duniya ek kahaani (2)

is mele mein haar jeet hai, aur mele ka mel
is mele mein uDan khaTole, haathi, ghoDe, rel
kanhi hinDole, kanhi tamaashe, tarha tarha ke khel
is mele mein paana khona, jeevan behta paani
re bhaaiya duniya ek kahaani,,,

hariyal lelo.. pariyal lelo.. Lelo chanda taara..
aa O chunnu, aa O munnu, lelo naya gubbaara
munniya raani hamein bataa do kya hai naam
tumhaara
kas ke Dor pakaDana biTiya, mat karna naadaani
is dhaage mein bandhi rahegi, teri preet purani
re bhaaiya duniya ek kahaani,,,

aaj yahaan kal kahaan hamein le jaaye gi taqdeer
koun kahe kis ki aankhon mein kab bhar aaye neer
ek baar jo isee preet ki miTati nahin lakeer (2)
bhul na ja na , bhaTak na ja na, maaya aani jaani
re bhaaiya duniya ek kahaani,,,
