Duniya walo raam-seeta ki nayi kahani sun lo  
Vaalmeek se khoob suni ab meri zubaani sun lo

Gali-gali seeta roye aaj mere desh mein  
Seeta dekhi raam dekha aaj naye bhash mein

Tumne naam suna seeta ka main use dekh aaya hu  
O dharm ke thekedaaron main ek nayi raamaayan  
laaya hu  
Woh seeta thi raamaayan ki jeeti jaagti  
Roote raam se jo khoya pyaar maangti  
Gali-gali seeta roye...

Raam ki leela dekh chuke koi uski leela jaane na  
Raam yahaan seeta yahaan par koi pehchaane na  
Aage badh ke dekh deewane tu hi inka raam hain  
Iske dil ko cheer ke dekh liya tera naam hain  
Gali-gali seeta roye...

Dharti phati seeta chhupi kahi nazar aaye na  
Ye woh seeta hai ki jise dharati bhi chhupaaye na  
Ye bhi seeta vo bhi seeta fark dekho bhaag mein  
Vo aag se laut aayi ye hai abhi aag mein  
Gali-gali seeta roye...

Behan jis bhai ki hai vo bhi khafa ho gaya  
Maa ye kisi laal ki hai woh bhi juda ho gaya  
Janak seeta chhod de to kaha jaaye jaanaki  
Maa ise pehachaan ke bhi phir nahi pehchaanti  
Gali-gali seeta roye...

Kyon bharosa nahi ispe kya ye pyaar jhootha hai  
Bolo-bolo aansuon ka kya ye haar jhootha hai  
Iski katha jhoothi hai to jhootha bhagwan hai  
Jhoothi hai raamaayan saari aur jhootha raam hai  
Dharm jhootha prem jhootha jhootha hindustaan hai  
Deviyon pe dosh lage aaj mere desh mein  
Seeta to hai raam nahi aaj mere desh mein  
Gali-gali seeta roye...
