hum ishq mein barabaad hain, barabaad rahenge  
dil royega tere liye aansoo na bahenge

seene mein chhupa rakhenge hum raaz-e-muhabbat,  
ham raaz-e-muhabbat;  
ai jaan-e-vafaa tujh se muhabbat na karenge,  
tujhe rusava na karenge  
ham barabaad rahenge

qisamat se shiqaayat hai, gila tujh se nahin hai,  
gila tujh se nahin hai;  
tu ne jo diya dard vo hans hans ke sahenge,  
ham barabaad rahenge

dhoondhengi na ab tujh ko ye benoor nigaahen,  
ye benoor nigaahen;  
tu saamane bhi aaye to, dekha na karenge,  
ham barabaad rahenge
