hum premi prem karanaa jaanen
kahen na dil ki baat sadaa chup rahanaa jaanen
hum premi prem karanaa jaanen
pyaar ke dushman ko hazaaron men pahachaanen
hum premi

apanon se jab thes koe lag jaati hai
himmat apani aur bhi badh jaati hai
ye mat bhoolo aise hi deewaanon ke
pairon men zanjeer bhi pad jaati hai
deewaane zanjeer se kyaa daranaa jaanen
hum premi

mujarim ko paradaa chhupaa naa paaegaa
chingaari ke khel men jal jaaegaa
jalane waalaa aag bhi lagaa sakataa hai
ye to us ka waar hi batalaaega
hum to jis ka waar usi par dharanaa jaanen
hum premi

aapas men takaraana kaisa gaa milakar saath mere
mere liye to ho tum donon, jaise ye do haath mere
aapake qadamon ke jaisa duniya men kahaan aaraam
koe
aapaki chhaaya hai hum pe to kar jaayenge kaam koe
hum mat waale pyaar men jeena-marana jaanen
hum premi
