Jahaan kahin dipak jalataa hai
Vahaan patangaa bhi aataa hai
Preet ki reet yahi hai murakh
Tu kaahe pachhataataa hai
Parawaane ki naadaani par duniyaa
Hansati hai to hanse
Pyaar ki mithi aag mein premi
Hansate hansate jal jaataa hai

Jo ik baar kah do ke tum ho hamaare
To badale ye duniyaa badalen nazaare
Jo ik baar kah do

Aakaash mein, aakaash mein chaand taare hansen
Hamaare hi dil mein andheraa base
Nigaahon ki galiyon mein chori se aake
Jo tum muskuraa do to khil jaayen taare
Jo ik baar kah do

Suhaani hai ye, suhaani hai ye zindagi pyaar se
Hai murakh jo pachhataaye dil haar ke
Ye baazi hai duniyaa mein sabase niraali
Jo haare so jite jo jite woh haare
Jo ik baar kah do
