jidhar dekhataa huun udhar hain andhere
saveraa kahaan hai o bhagavaan mere

agar teri duniyaa mein ye gam rahenge
to phir teri duniyaa mein kyaa ham rahenge
agar teri duniyaa

hain tere jahaan mein kahin to bahaaren
kahin uth rahin hai gamon ki pukaaren
yahi zindagi hai to kyaa kush rahenge
agar teri duniyaa

naa itanaa sataa tujhe ham bataa den
ye aahon ke shole naa tujhako jalaa den
bataa kab talaq ye sitam ham sahenge
agar teri duniyaa

rahega sitam kaa agar ye andheraa
to mit jaayegaa naam duniyaa se teraa
hai maalik bhi jhuuthaa sabhi ye kahenge
agar teri duniyaa
