Mukhadaa teraa saaf nahin to darpan ko kyon dhoye  
Apane aapako dhokhaa dekar o pagale kyon roye

Jaisaa kiya hai tuune vaisaa hi tuu bharegaa  
Teri badi kaa badalaa tujhako yahin milegaa  
Jaisaa kiya hai tuune

Kush ho rahaa thaa kitanaa auron ko tuu rulaa ke  
Jhuuthe nashe mein apanaa magariur sar uthaa ke  
Sochaa naa vaqt aisaa tujh par hi aa padegaa  
Jaisaa kiya hai tuune

Todaa kisi kaa dil to kuchh naa malaal aayaa  
Jab apane tan pe khaayi phir kyon kyaal aayaa  
Teraa kiya karaayaa tere saath hi chalegaa  
Teri badi kaa badalaa
