Na main bhagwaan hoon na main shaitaan hoon
Duniyaa jo chaahe samajhe main to inasaan hoon

Mujh mein bhalaaii bhii mujh mein buraaii bhii
Laakhon hain mail dil mein thodii safaaii bhii
Thodaa saa nek hoon thodaa beiimaan hoon
Duniyaa jo chaahe samajhe main to inasaan hoon

Na koi raaj hai na sar par taaj hai
Phir bhii hamaare dam se dharatii kii laaj hai
Tan kaa Gareeb hoon man kaa dhanavaan hoon
Duniyaa jo chaahe samajhe main to inasaan hoon

Jeevan kaa geet hai sur mein na taal mein
Ulajhii hai saarii duniyaa rotii ke jaal mein
Kaisaa andher hai main bhi hairaan hoon
Duniyaa jo chaahe samajhe main to inasaan hoon
