Ye duniya gol hai, upar se khol hai  
Andar jo dekho pyaare bilkul polam-pol hai  
Ye duniya gol hai

Kitne hi duniya wale, rahte hain ghera daale  
Koi muraad maange, koi aulaad maange  
Koi muhabbat chaahe, koi huqumat chaahe  
Sabke gale mein bhaiyya armaanon ka dol hai  
Ye duniya gol hai...

Rupaiyya paisa na maangu, sona chaandi na maangu  
Kapda latta na maangu, ghoda gaadi na maangu  
Parvardigaar mere, uska deedaar de de  
Ek foto ka savaal hai baabaa, bol ab tak nahi mila  
Parvardigaar mere, uska deedaar de de  
Jaldi mila de meri duniya daanvaadol hai  
Ye duniya gol hai...

Are baap re, ye kahaan se, tyoon badlo  
Mere maula bula le madeene ise  
Lage mauke pe aane paseene mujhe  
Ise naheen, baabaa, mujhe  
Achchha betaa, lambi umar ho jaldi se lambe ho jaao  
Ye duniya gol hai...
