Nothing is too ... all around
Making all the pride just try to be alive
..is coming and a part of ..
'cause we're on ... we are bad.

Chorus:
Yes we're back on track
... it's a perfect match
.. yes we're back on track.
Now my .. it's a perfect match
...

Our day has come screen on number one
... your minds
Back in the ring again ..
'cause we're not there, we are bad
Here's a back on track ..
It's a perfect match free of ..
Yes we're back on track
Now my friend it's a perfect
...

2 x Chorus:
Yes we're back on track
... it's a perfect match
.. yes we're back on track.
Now my .. it's a perfect match
...
