How long you gonna carry on  
This one on one charade  
Lets don't and then say we did  
That's the game you like to play.

Weve been through this so many times  
The end results always the same  
I always end up complaining  
When I've got myself to blame.

You're just a dead giveaway  
You'dthink I'd learn to handle this by now  
You're just a dead giveaway.

Girl you can't deny it

You keep trying to hide it

I get a call about 2am  
Saying you don't want to be alone  
Now I'm tired and half asleep  
But emotions are just a little too strong.

I figure that I'd call your bluff  
Cause you want me to come on by  
Girl you know it's your love I've always wanted  
And this time I wont be denied.

Cause you're a dead giveaway  
Girl you want me like I want you  
A dead giveaway.

You're scared but you wont admit it

But tonight you're committed  
Cause you're just a dead giveaway.

You're not that naive girl

Is playing deciever  
Well now that you're serious

It's time to take off that disguise  
You want more that mental stimulation  
I can see it in your eyes.

For years I've been your analyst  
I've been as patient as I've been kind  
For years you've played off believing  
That I loved you for only your mind.

Cause you're a dead giveaway.

I can tell by the look in your eye  
That you're a dead giveaway.

I'm finding out  
What you're all about.

You're just a dead giveaway.
