### "Reason To Rock"

Hey-there standing all alone,  
Won't you listen to me.  
Got message and it's it's coming your way,  
For the whole world to see.

"Got a reason,  
Got a reason.  
Reason to rock."

Fallen angel hard to see,  
Laughing in my face.  
You'd better wake up cause in due time,  
I'm gonna leave this place

"Got a reason,  
Got a reason.  
Reason to rock."

So, let me tell you for your own good,  
It's gonna leave you in shock.  
Christ is the reason you live,  
And he's the one way to rock.

"Got a reason,  
Got a reason.  
Reason to rock."
