You know, you know, you know  
You know, you know, you know  
I'm just a maniac  
You know, you know, you know  
You know, you know, you know  
I'm just a maniac in love

Your love has got me high,  
We'll take it to the stars  
I like your darker side,  
I wonder who you are  
Show me your crooked smile  
Tell me I'm the only one  
Tell me another line  
Play with my heart for fun

Oh damn, you got me crazy  
Driving me up the wall  
And it feels so good,  
The way you let me fall  
I don't care if you save me  
I can't get enough  
You know, you know, you know  
I'm just a maniac in love  
I like the way it hurts  
Sometimes you make me cry  
So load the gun with birds  
And shoots them up in the sky  
I don't care what you do  
I don't care who you are  
Somehow I'm into you  
Somehow I lost my heart  
Cause, something, don't slow down  
Keep it going, I yeah I want you now

Oh damn, you got me crazy  
Driving me up the wall  
And it feels so good,  
The way you let me fall  
I don't care if you save me  
I can't get enough

You know, you know, you know  
I'm just a maniac in love X 2

I'm just a maniac in love , love, love X 4  
Oh yeah, hey, uh, hah, oh

Oh damn, you got me crazy  
Driving me up the wall  
And it feels so good,  
The way you let me fall  
I don't care if you save me  
I can't get enough  
You know, you know, you know  
I'm just a maniac in love X 2
