It's no use use saying
Your gonna stay
If you don't want to be all mine
I haven't got room
For somebody
Who's gonna hurt me all the time

Somebody who couldn't see
All the love I was trying to give

It's no use saying
Your gonna stay
If you don't want our love to live

It's no use keeping
You around
If you don't want me all the way
There's somebody new
Who can be found
And I'll find her someday

And she will be everything
All the love she has
She'll want to give

It's no use saying
Your gonna stay
If you don't want our love to live

Oh I should be good to you
But I can't cause
I was really true to you
But you only hurt me more

It's no use use saying
Your gonna stay
If you don't want to be all mine
I haven't got room
For somebody
Who's gonna hurt me all the time

Somebody who couldn't see
All the love I was trying to give
It's no use saying
Your gonna stay
If you don't want our love to live
