At a dance, I'm standing there  
Suddenly approached by a lady fair  
Said to me, "It ain't no lie  
If I can't have you I'd surely die?  
Psychodrama city, don't need none today

My good friends say to me  
"World will end soon, wait you'll see?  
Said, "I don't care, won't be here  
Going to Florida for a half a year?  
Psychodrama city, don't need none today

Me and my friends got on a plane  
One of my friends got off again  
To this day don't know why  
He got on at all, if he didn't really want to fly  
Psychodrama city, don't need none today

Me and my friend went over my friends house to see  
Me and my friends on his TV before the night is over  
I saw six murders, two riots and a war  
Not going to watch my friends TV, no more  
No psychodrama city, don't need none today
