My buddies tell me that I should've waited  
They say, "I'm missing a whole world of fun"  
But I still love them and I sing with pride

I like the Christian life

I won't lose a friend by heeding God's call  
For what is a friend who'd want you to fall  
Others find pleasure in things I despise

I like the Christian life

My buddies shun me since I've turned to Jesus  
They say, "I'm missing a whole world of fun"  
I live without them and walk in the light

I like the Christian life

I won't lose a friend by heeding God's call  
For what is a friend who'd want you to fall  
Others find pleasure in things I despise

I like the Christian life
