My nights have been lonely, since I been in Tulsa  
county

I really don't know, what I'm going to do

I just might take a trip somewhere along the southern  
border

'Cause I know I gotta get away from you

I don't know

Just where I'll go

I believe I'll ride it down to Mexico

Down to Mexico

Got your note in Charleston, said "You needed my  
assistance"

But when I got there, you didn't need me then

I may not be a wise man, but I know this life you're  
leading

You learned your tricks from lots of other men

I don't know

Just where I'll go

I believe I'll ride it down to Mexico

Down to Mexico

I don't know

Just where I'll go

I believe I'll ride it down to Mexico
