You showed me how to do
Exactly what to do
How I fell in love with you
Oh oh oh it's true
Oh oh I love you

You showed me what to say
Exactly what you say
In that very special way
Oh oh oh it's true
You fell for me too

And when I tried it
I could see you fall
And i decided
It's not a trick at all

You taught it to me too
Exactly what you do
And now you love me too
Oh oh oh it's true
We're in love we two

And when I tried it
I could see you fall
And i decided
It's not a trick at all

You taught it to me too
Exactly what you do
And now you love me too
Oh oh oh it's true
We're in love we two
