B SECTION

HOOK

BRIDGE RAP

Attention!
Tell my why them pennies got you pinching
You barking like a dog
Meow with the kittens
Get your money up
Add some zeros and a comma
Cause everybody wanna have a little sugar momma
They say that money don't grow on trees
Betta let 'em know that it grows on me
Check my panties & check my bra
Guess this money in my pocket
Make my so large
Oops did I say that
Wasn't suppose to tell where the chicks keep the cash
at
Guess I'm an automated teller
Where my go girls
And money making divas?
