Bent or broken,  
It's the family tree.  
Bent or broken,  
It's the family tree.  
Each branch a part of a part of me.  
This is my tree,  
And it's a beautiful tree.

Dwarf or giant,  
It's the family tree.  
Dwarf or giant,  
It's the family tree.  
Growing just as tall as it was meant to be.  
This is your tree,  
And it's a beautiful tree.

What a beautiful tree.

Strong or fragile,  
It's the family tree.  
Strong or fragile,  
It's the family tree.  
See how the sun shines through the leaves.  
This is our tree,  
And it's a beautiful tree.  
What a beautiful tree.

Sure, it's broken,  
But It's the family tree.  
Sure, it's broken,  
But It's the family tree.  
I can feel the sap running through me.  
This is my tree,  
And it's a beautiful tree.
