There's a crack in the mirror
and a bloodstain on the bed -

There's a crack in the mirror
and a bloodstain on the bed -

O you were a vampire
and baby I'm walking dead

O you were a vampire
and baby I'm walking dead

Chorus:

I got the ways and means
to New Orleans

I'm going down by the river where it's warm and green

I'm gonna have a drink
and walk around

I got a lot to think about
oh yeah

There's a rocking chair
by the window down the hall

I hear something there
in the shadow down the hall

O you were a vampire

and now I am nothing at all

O you were a vampire

and now I am nothing at all

Chorus

They used to dance in the garden

in the middle of the night

Dance around in the garden

in the middle of the night

O you were a vampire

and I may never see the light

O you were a vampire

and I may never see the light

Chorus
