well I hear you're driving someone else's car now  
she said she came and took your stuff away  
all the poetry and the trunk you kept your life in  
I knew that it would come to that someday

like a sad hallucination  
when I opened up my eyes  
the train had passed the station  
and you were trapped inside  
and I never wondered where you went,  
I only wondered why, I wondered why

#### CHORUS

oh Caroline  
oh Caroline  
oh Caroline  
oh Caroline

well I hear you're using someone else's number  
she said she saw you in the store today  
it doesn't matter whose address you're listed under  
I only know they'll never make you stay

like a memory in motion  
you were only passing through  
that is all you'll ever know of life,  
that's all you'll ever do  
there's a dream I have where I sail away  
looking back, I wave at you  
and I wave goodbye

oh Caroline  
oh Caroline  
oh Caroline  
oh Caroline

musical interlude

In another life i see you, as an angel flying high  
and the hands of time will free you and you'll cast the  
chains aside

and the dawn will come and kiss away every tear that's  
ever fallen  
from your eyes, behind those eyes i wonder. Caroline  
chorus
