Artist: Concrete Blonde

Song: Everybody Knows

Everybody knows the dice are loaded,  
Everybody rolls with they're fingers crossed,  
Everybody knows that the war is over,  
Everybody knows that the good guys lost,  
Everybody knows the fight is fixed,  
The poor stay poor an the rich get rich,  
Thats how it goes,  
Everybody knows the boat is sinking,  
Everybody knows that the captin lied,  
Everybodys got this broken feeling,  
like they're momma or they're dog just died,  
Everybodys hands are in they're pockets,  
Everybody wants a box of choclates an a long stemed  
rose,  
Everybody knows,  
Everybody knows,  
Everybody knows,  
Thats how it goes,  
Everybody knows,

Everybody knows,  
Everybody knows,  
Thats the way it goes,  
Everybody knows,  
Everybody knows that its now or never,  
Everybody knows that its me or you,  
Everybody knows that you live forever,  
Ya maybe had a line or two,  
Everybody knows the deal is rotten,  
Ole black just still picking cotton for ya evans an rose,  
Everybody knows you love me baby,  
Everybody knows you really do,  
Everybody knows that you been faithful,  
Give or take a night or two,  
Everybody knows you been discreet,  
So many people you had to meet without your clothes,  
and everybody knows,  
Everybody knows,  
Everybody knows,  
Thats the way it goes,  
Everybody knows,  
Everybody knows,  
Everybody knows,  
Thats how it goes,  
Everybody knows,  
Everybody knows,

Everybody knows,

Thats how it goes,

Everybody knows
