Feeling the fire

Under my feet

I was a liar

You were a cheat

Playing with knives we were cut close to home

Close to the bone

You're so alone

Something to have

Something to hold

Something to share

So i've been told

Deep in your eyes you're one hundred years old

Cause the years have not been kind to you, you know

CHORUS

Heal it up, heal it up, heal it up.

Feeling the pinch

Feeling the hole

Feeling the void

Deep in my soul

Feeling my feelings so out of control

Cause the years have not been kind to me, I know

## CHORUS

Heal it up, heal it up, heal it up

Heal it up, heal it up, heal it up
