Say it's been too hard  
Say it's been too long  
You say it's all too much  
The thrill has long been gone  
Well I thought you could  
Yes I thought you could  
And you thought you could too

But it's a place and time  
Where the years behind are piled up high  
But never mind  
It's time to crash and burn or fly  
And I thought you could  
You know I thought you could  
You know I thought you could too

Go to sleep now  
Go on dream away  
Is it easy easy babe  
And I hope  
And I dream  
And I pray  
That sometime  
We'll find a way

Some say easy come  
Some say easy go  
Some say time flies by too fast  
Some say it drags on all too slow  
Well I thought you could  
You know I thought you could  
And I thought I could too

But if you never find  
The heart to start all over again  
Remember I was one  
Who tried to be a friend to you, I  
Well you know I tried  
Yes you know I tried  
And I know you tried too

\*Go to sleep now  
Go on dream away  
Is it easy easy babe  
And I hope  
And I dream  
And I pray  
That sometime  
We'll find a way
