The prey of the beast screamed  
bloody murder  
the line is so fine between  
hoping and hurting  
former believers they beg for release  
as love looking down on them  
Smiles and picks his teeth  
trapped in between heaven and hell  
he knows all the secrets  
and don't want to tell  
there's nowhere to run and there's  
nowhere to hide  
love knows you all too well  
He will find you  
Love is the ghost haunting your head  
love is the killer you thought  
was your friend  
love is the creature who lives  
in the dark  
sneaks up, will stick you  
and painfully pick you apart

Love is a poet, love sings the songs  
pointing his finger you follow along  
voices are calling,  
the monster wants out of you  
paws you and claws you, you try not to fall  
Love is the leech, sucking you up  
love is a vampire, drunk on your blood  
love is the beast that will  
tear out your heart  
hungrily lick it and  
painfully pick it apart

(Repeats)

Love is a ghost, haunting your head  
love is the killer you thought  
was your friend  
Love is the teacher who lives in the dark  
sneak up and stick you  
and painfully pick you apart
