(B. Haney)

Oooh!

Set me a fire, ooh... desire  
Touch me, my love, and let me feel your flame  
Burning inside and ecstasy  
Come with me now and we can go...  
We can touch the sky  
Babe, I do believe that we can learn to fly  
Take me by the hand, ohhhh....

All I wanna do is make sweet love to you  
[All I wanna do is make sweet love to you]  
Baby, can't you see that I'm in love with you [I'm in love  
with you]  
All I wanna do is make sweet love to you  
[All I wanna do is make sweet love to you]  
Baby, can't you see that I'm in love with you  
[Everynight!!!]

Now that you're mine, stay forever  
Right by my side and leave me never (never)  
Just you and me (you and me) eternally  
Come with me now, let love explode  
We can touch the sky  
Ohh.. girl, I do believe that we can learn to fly  
Take me by the hand...

All I wanna do is make sweet love to you [Oooh, hoo,  
oooh, baby]  
Baby, can't you see that I'm in love with you [Ohh, baby,  
yeah]  
All I wanna do is make sweet love to you  
[I wanna love you, girl, all night long]  
Baby, can't you see that I'm in love with you [Baby,  
won't you please]

Touch me [touch me], squeeze me [squeeze me]  
Please me [please me], heyyyyyy[Ohhhh...]  
I just wanna love you [Oh, baby]

Take me by the hand.... oooh.....

All I wanna do is make sweet love to you

[Oooh...oooh...]

Baby, can't you see that I'm in love with you

[That's all I wanna do with you, to you]

All I wanna do is make sweet love to you

[All I wanna do is make sweet love]

Baby, can't you see that I'm in love with you

[Together forever, forever and ever]

All I wanna do is make sweet love to you

[That's all I wanna do is make sweet love to you]

Baby, can't you see that I'm in love with you [To you,  
with you]

All I wanna do is make sweet love to you
