Family faces make us look so happy
Weekend talks about the dictionary
Stop the clocks, get back in your box
There's so much more to do

The hourly news leaves us so confused
Packets of soap and cornflake news
Here's the story, Jackanory
We all know what to do

Give a rouble to the beat box
Give a dollar to his friend
We don't want to talk about it
Cause we all know it's the end

Yeah what about Jack
Did he get that plane
We talk about whales
And they think I'm insane
Dress the slave, oh please behave
There's so much more to do

The man in the pet shop thinks it's oh so close
But it's nice to watch them all eating tea and toast
Start the movie, oh what a movie
We all know what to do

Give a rouble to the beat box
Give a dollar to his friend
We don't want to talk about it
Cause we all know it's the end

Somewhere down the road they're talking about it
That's all I know
Somewhere in the village they're paying for it
That's all I know
Somewhere in the city they're waiting for it
That's all I know
Somewhere on the moon they're digging up the rubble
That's all i know

Give a rouble to the beat box
Give a dollar to his friend
We don't want to talk about it
Cause we all know it's the end

Move the furniture
Breed a dinosaur
Feed the beast
Eat the feast
